September Monthly Meeting Recap

Our first meeting in the Fall season focused on the candidates for the Member-at-Large seats on the Montgomery County Council. All eight candidates were invited, but only Evan Glass, Gabe Albornoz, Robert Dyer and Shelly Skolnick attended.

The meeting drew an impressive crowd at GrillMarx and the gathering was small enough to gain a good sense of each candidate's viewpoint. The panel opened with each candidate introducing themselves and providing opening remarks. Following that the remaining hour was devoted to answering questions from the audience.

Chamber members leveraged the 'Q & A' time to question get each candidate's positions on up-county transportation issues, full-day kindergarten, minimum wage legislation, and ways to make the County more business-friendly.

It was a lively discussion and one that let the candidates know what was on our minds and how the growing up-county residents were organizing to become a force in county politics.

Breakfast Meeting with Candidates for County Executive and District 2 County Council Oct 3rd, 2018

The Montgomery County Executive position is on the November ballot and we're lining up the candidates for our next monthly meeting on October 3rd.

We'll use the same format that worked so well for the Council candidates, each County Executive candidate will have three minutes to introduce themselves and their platform, then we'll open it up to member questions. In our small group setting it is an outstanding way to understand where candidates stand on our specific issues.

Plan to join us for the candidate panel which will take place just one month prior to election day on November 6th (early voting opens on October 25th).

New Member Services Debut

If you attended the September Monthly Meeting you may have noticed the change in our meeting check-in process. At the meeting we rolled out a new member management function: **online check-in for meetings**.

While the old paper-based sign in process was still in sight, Ellen Silverstein was catching attendees as they arrived and noted their attendance in our member management system. The process went smoothly and one we'll continue to employ and refine.

Online check-in is only one of the new services rolling out this Fall. Here are a few others that are now available:

- **Form Library** [\[Click Here\]](#)
- **Event Calendar in List Format** [\[Click Here\]](#)
- **Job Bank** [\[Click Here\]](#)
- **Extended Photo Gallery** [\[Click Here\]](#)

All are being delivered via the new member management software the Chamber adopted and installed last Spring and we have more to come!

Don't forget to update your profile on the Chamber website.

Make it easier for other businesses to do work with you!
